

Mildmay Mission Hospital

Leaving a gift to Mildmay in your Will

Mildmay is an internationally-renowned specialist hospital which has been at the forefront of HIV & AIDS care since 1988. In 2020, we also began caring for people who are homeless or rough sleeping and recovering from illness or injury.

Thank you for considering leaving a legacy to Mildmay in your Will.

Choosing to leave a Gift to Mildmay is a great way to support us. It costs you nothing now, but ensures that you can make a life- changing difference in the future.

These gifts are vital to help us plan for the future of our UK hospital and ensure that we continue to provide first-class services and facilities for those we care for.

Life in all it's fullness for
everyone in Mildmay's care

Running a specialist hospital like Mildmay is expensive, and we receive only about 80 per cent of the funding we need from our NHS contracts, so we need to raise the rest from charitable donations every year.

Any gift, large or small, is gratefully received and impacts the lives of society's most vulnerable people - those for which our founders, the Reverend William Pennefather and Catherine, his wife - established Mildmay over 150 years ago.

Did you know?

Income from legacies is one of the most important sources of funding for charities, yet over two-thirds of people in the UK die without making a Will.

Making a Will is the best way to communicate your wishes about what happens to your things, so they can make a difference to the people you care about.

This leaflet is not intended to provide legal advice and should not be relied on to make any legal, tax or other decisions. **We recommend that you always seek professional advice in preparing your Will.**

This leaflet is only intended for donors based in England and Wales. For Scotland and Northern Ireland, we recommend you seek professional advice locally.

Make a Will for FREE with our compliments

Not everyone who would like to support us in their will manages to do so. Two-thirds of adults in the UK don't even have a will.

That's why we are working with Make a Will Online, to make it simple, secure and convenient for you to transform your intention into a reality.

Go to makeawillonline.co.uk/mildmay to make a will online today, at no cost to you.

Identifying Mildmay in your Will

You don't need to tell us that you have left a gift to Mildmay in your Will, but we would be grateful if you let us know if you have, or if you are considering leaving a lasting gift. We would like to be able to thank you and keep you up to date with Mildmay's work.

Whatever gift you decide to make, we are hugely grateful for your support.
